## How to Order:

- Step 1: Model "W"
- Step 2: Style: 25 = Inline (Choose only one)  
25E = Side Entry
- Step 3: Size (Fill in required)
- Step 4: Length: Fill in either (S) or (L)
- Step 5 & 6: End Connection: Inlet/Outlet (Fill in symbol from chart)
- Step 7: Perforated back-up tube: Fill in either (4) or (8)
- Step 8 & 9: Sock/Mesh (Choose only one, then fill in the appropriate symbol for sock or fill in the mesh number) Do not fill in both boxes
- Step 10: Seals: Fill in either (B), (V), or (E)

Sample number for an In-line, 2", long, S-line (both ends), 1/4" back-up tube, 30 Mesh, & viton seals:
